THE ULTIMATE TECAR THERAPY

GENERAL CATALOGUE

VALID FROM 1ST SEPTEMBER 2022

TABLE OF CONTENTS

Fisiowarm® 7.0	pg. 03
Unipolar	pg. 07
Unipolar/Uniq	pg. 10
Bipolar	pg. 11
Static Automatic / Contour	pg. 13
Intimity	pg. 16
Trigger & Fascia	pg. 18
Portability & Consumables	pg. 20
Fisiowarm Cream & Gel	pg. 21

THE ULTIMATE TECAR THERAPY

UP TO NOW TECARTHERAPY DEVICES HAVE HAD GREAT EFFICIENCY LIMITATIONS:

- Limited management of the depth of the treatment (only one or a limited range of frequencies)
- Not effective in the acute phase due to the thermal effect of traditional tecartherapy
- Difficult to manage some anatomical regions due to the limited range of applicators
- Difficult to choose the right protocol/ approach for a disorder
- Operator's exposure to unwanted electromagnetic fields
- Risk of burns and electric shock

FISIWARM 7.0

IS THE MOST ADVANCED AND EFFECTIVE UNIT ON THE MARKET FOR TREATING OSTEOARTICULAR AND PERIPHERAL NERVOUS SYSTEM DISORDERS.

THE MOST EFFECTIVE

The new Fisiowarm 7.0 features allow the therapy to adapt perfectly to the patient:

- **FREQUENCY ON DEMAND** choose the best frequency for your treatment in a range from 300 kHz to 1 MHz in steps of 1 kHz.
- **AAW** technology, designing increasingly modern and efficient circuits. This technology continuously varies the characteristics of the signal to adapt to the patient and the type of application.
- **HEA** technology now allows for high power biostimulation therapy keeping the thermal effect up to 10 times lower than traditional tecartherapy devices.

THE MOST COMPLETE

Fisiowarm 7.0 ensures the highest performance with infinite treatment

- **MULTIEMISSION** Continuous, sensitive, 4 heat-free levels.
- **ACCESSORIES** In addition to the traditional unipolar electrodes, there are 8 NEW SERIES OF INNOVATIVE ACCESSORIES to reach any anatomical region.
- **YURI** A REVOLUTIONARY USER EXPERIENCE a user-friendly iOS app for iPads you can update through the AppStore guides you through a natural, obstacle-free path to easily interact with Fisiowarm.

THE SAFEST

Our continuous research and development of new technologies for the practitioners' safety have always characterised Fisiowarm ever since it was launched on the market.

Fisiowarm was the first unit to eliminate the risk of electric shock and accidental burns thanks to the implementation of low-voltage circuits even for the capacitive transfer. The recent technological solutions have allowed Fisiowarm to pass even the most stringent electrical safety tests and be classified as Class B equipment, which ensures its safety even in non-professional settings.

LOW VOLTAGE
CAPACITIVE

LIFETIME WARRANTY*

70 years after launching our first diathermy solution, we have developed the most technologically advanced and therapeutically effective system on the market for the treatment of osteoarticular and central nervous system conditions.

WE ARE SO SURE ABOUT ITS QUALITY THAT WE OFFER A
LIFETIME WARRANTY

* The limited "Lifetime Warranty" granted by us refers, inter alia, to a 6 years period as from the original purchase of the Fisiowarm® 7.0. product. For terms and conditions and limitations of our "Lifetime Warranty", please refer to our Limited Warranty Declaration.

FISIWARM® 7.0 MODELS COMPARATIVE TABLE

PRODUCT	FISIWARM 7.0 300	FISIWARM 7.0 400
INTERFACE	- Fisiowarm iPad App (included) - OLED display and rotary encoder with multi-function button	- Fisiowarm iPad App (included) - OLED display and rotary encoder with multi-function button
NOMINAL POWER	300 Watts	400 Watts
OPERATING FREQUENCY	300, 500 kHz, 1MHz	Free manual setting of values ranging from 300 kHz to 1 MHz. Preset frequencies: 300, 400, 450, 500 kHz, 1MHz, AUTO (automated scanning of the preset frequencies)
EMISSION	Continuous Sensitive Athermia	Continuous Sensitive Athermia 1/2/3 Superpulsed
OPERATING MODE	Unipolar Bipolar Neutro Dinamico Static Automatic	Unipolar Bipolar Neutro Dinamico Static Automatic
ACCESSORIES INCLUDED	Unipolar electrode kit (cap+res) Bipolar electrode kit (cap+res) Trolley with 2 shelves, one of which is heated	Unipolar electrode kit (cap+res) Bipolar electrode kit (cap+res) Trolley with 2 drawers, one of which is heated
COMPATIBLE ACCESSORIES	The whole range	The whole range
ENERGY TRANSFER	Capacitive Resistive	Capacitive Resistive
PRESET PROGRAMS	56 guidelines that can be integrated into the new releases of the app and advanced modes	56 guidelines that can be integrated into the new releases of the app and advanced modes

UNIPOLAR

CAVO-U | Cable for Unipolar Application

F70-MAN-U | Handpiece for Res/Cap Unipolar Application

ELNH | Steel Neutral Plate cm 14x20

UNIPOLAR

F70-ELCAP44

Capacitive Unipolar Electrode Ø 44mm

F70-ELCAP64

Capacitive Unipolar Electrode Ø 64mm

F70-ELCAP80

Capacitive Unipolar Electrode Ø 80mm

UNIPOLAR

F70-ELRES44

Resistive Unipolar Electrode Ø 44mm

F70-ELRES64

Resistive Unipolar Electrode Ø 64mm

F70-ELRES80

Resistive Unipolar Electrode Ø 80mm

UNIPOLAR/UNIQ

F70-UNIQ44

Uniq Unipolar Electrode res/cap Ø 44mm

F70-UNIQ64

Uniq Unipolar Electrode res/cap Ø 64mm

F70-UNIQ80

Uniq Unipolar Electrode res/cap Ø 80mm

F70-MAN-B

Handpiece for Res/Cap Bipolar Applications

F70-PROFILE

Resistive Bipolar Profile Electrode with Mobile Heads

F70-LIFT

Facelift Bipolar Resistive Electrode

BIPOLAR

F70-ELCAP44B

Capacitive Bipolar Electrode Ø 44mm

F70-ELCAP64B

Capacitive Bipolar Electrode Ø 64mm

F70-ELCAP80B

Capacitive Bipolar Electrode Ø 80mm

STATIC AUTOMATIC / CONTOUR

F70-CAVO-ND

Cable for Neutro Dinamico® / Static Automatic Applications

F70-MAN-ND

Neutro Dinamico® Handpiece for Uni. Res. Electrodes

F70-MAN-NDC

Handeld Neutro Dinamico®

ELAUTO

Kit for Static Automatic Applications

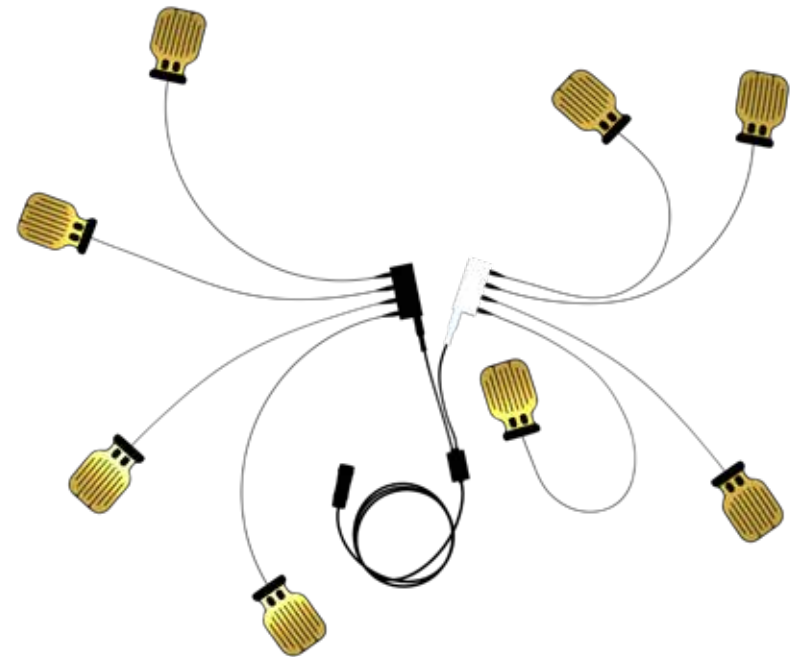

Including Main Cable and Connections, 4 Resistive Clips Electrodes, 2 Elastic bands 100 cm

STATIC AUTOMATIC / CONTOUR

OCTOPUS | Kit for Contour Automatic Applications

consisting of:

- 8 Contour Electrodes size Large
- 8 Contour Electrodes size Small
- 2 Contour Electrodes size Neutral
- 1 black HUB
- 1 white HUB
- 2 elastic bands 100 cm
- 1 kinesio tape roll

HUB-N | Hub Contour Black

HUB-B | Hub Contour White

STATIC AUTOMATIC / CONTOUR

CAVO-OCTO

Adapter cable CLIP/2MM
for Neutral connection - Contour System

CONTOUR/L

Contour Electrode large 48x48 mm (4 pcs./package)

CONTOUR/S

Contour Electrode small 30x30 mm (4 pcs./package)

CONTOUR/N

Contour Electrode neutral 100x81 mm
(2 pcs./package)

INTIMITY

For application with cable art. CAVO-ND

ENDO | Endoprobe Unipolar Vaginal Probe Ø 20 mm

F70-ENDO-B | Endoprobe Bipolar Vaginal Probe Ø 20 mm

ENDO-A | Endoprobe Unipolar Anal Probe Ø 12 mm

PROBE | Probe spare parts for code ENDO (3pcs/package)

KIT-ENDOB | Probe spare parts for code F70-ENDO-B (3pcs/package)

PROBE-A | Probe spare parts for code ENDO-A (3pcs/package)

TRIGGER & FASCIA

For application with cable art. CAVO-ND

IASTM-1 | Fascia Multifunctional Tool

IASTM-2 | Fascia Multifunctional Tool

IASTM-3 | Fascia Multifunctional Tool

F70-IASTM-KIT | Kit consisting of 3 Fascia Multifunctional Tool Included online dedicated training

TRIGGER & FASCIA

For application with cable art. CAVO-ND

POINT | Unipointer

PORTABILITY & CONSUMABLES

F70-BAG

FISIO WARM TROLLEY BAG
with compartments and
accessories holders
(IATA cabin size)

68531710C - Cable for Disposable Neutral Electrode

F7820 - Sticker and Disposable Neutral Gel Electrode
217x105mm - conductive area 118 cmq

F7805 - Sticker and Disposable Neutral Gel Electrode
202x101 mm - conductive area 132 cmq (25 pcs)

PG477 - Sticker and Disposable Gel Electrode
75x140 mm (4 pcs)

PATCH45 - Patch Gel 45 mm (12 pcs/package)

PATCH65 - Patch Gel 65 mm (12 pcs/package)

PG955/10M - Elastic Blue Band H:10 cm - W:100 cm

FISIOWARM CREAM & GEL

FWPURECREAM500 - Fisiowarm Pure Cream 500 ml

FWINTYGEL250 - Fisiowarm Intimty Gel 250 ml

FWCREAM150 - Fisiowarm® Conductive Cream 150ml

FWCREAM1 - Fisiowarm® Conductive Cream 1000ml
(12 pcs./package + 1 dispenser included)

THE ULTIMATE TECARTHERAPY

Golden Star's 15 years of experience in tecartherapy and over 70 years of history have led to the best product on the market.

After years of continuous innovation, we are the only ones who have actually surpassed ourselves leaving the competition behind.

We have done so using the most advanced technology, the best products available, and ensuring maximum interaction with physiotherapists to create new accessories and new applications.

Fisiowarm 7.0 is more than just an extraordinary device. It's everything that you have ever wanted in a tecartherapy unit and didn't think it was possible. All this with a beautiful design that makes the difference.

Fisiowarm 7.0 ensures the ultimate tecartherapy experience because we believe that it can't get much better than this!

The information and contents contained herein are purely indicative and are not contractually binding

The Fisiowarm® line is designed and produced entirely in Italy.
